

Liquid-O-Ring®

Our Company was founded in 1958, beginning with the dream of two individuals and only one product to sell. This dream has grown into a manufacturing company with approximately 1,000 products used by all types of industries worldwide. Since its inception, the growth of the Company is the direct result of our commitment to manufacture quality products.

From the first product, Hydrogel, to the development of an entire line of products marketed under the *Liquid-O-Ring*® tradename, the Company became recognized worldwide for the quality of its products. Since 1958, the Company has expanded to include thread sealants, wireline and wire rope products, coatings, pump and valve packings, sealants for oil wells, and hydraulic oil additives to meet the demands of today's industries. As the demand continued to grow, more products were added to meet the needs of the customers, including a line of soaps, detergents, and related products for the janitorial, car wash, and concrete industries.

Besides our commitment to manufacture quality products and adaptability to customer/industry needs, other contributing factors to the Company's success are its strategic warehouse locations, network of distributors located nationally and internationally, commitment to excellent customer service, and product reliability providing the utmost customer satisfaction.

"To operate safely while making quality products at the lowest cost and to deliver to our customers on time."

Oil Center Research, LLC

TOOL JOINT & DRILL COLLAR COMPOUNDS

- 220 Copper Seal, Premium
- 221 Lead-Free, Zinc-Free
- 224 Tight Seal, High Friction Factor
- 235 Biodegradable, Metal-Free
- 236 Environmentally Safe, Metal-Free
- TC30 Premium Grade, Storage, Tubing & Casing, Tool Joint Compound
- ZN50 50% Zinc Base
- ZN60 60% Zinc Base

HYDRAULIC OILS

- 941 Premium Anti-wear
- 1040 Synthetic Biodegradable
- PM5000 Leak-free, Premium Anti-wear

GEAR OILS

- 1050 Synthetic Base
- PM100 Heavy-Duty Premium

RIG LUBRICANTS

- 400 Polymer Multipurpose, Water-Resistant

- 404EU All-Purpose Lubricant & Sealant, Liquilon®
- 761 Power Tong Gear Lubricant
- 777 Premium Leg Grease
- PM600 Military Red Grease, High Temperature

CLEANERS & DEGREASERS

- 950 White Powder Rig Clean
- 1091 Mean & Green Heavy-Duty/ Biodegradable
- 9175 Heavy-Duty Thread Cleaner
- 9649 Degreaser, Concentrated

VALVE LUBRICANTS

- 600/1 Valve Life
- 603HV Plug Valve, Biodegradable, High Viscosity
- 613 Valve Cleaner/Flush
- 625 Supreme Lubricant

GENERAL MAINTENANCE

- 920 Liquid Tool Penetrating Oil
- MD50 Moisture Displacer & Lubricant
- MP56 Metal Parts Protector
- PM420NC Electro-Solve Safety Solvent

CORROSION PROTECTION

- 130 Water Displacer & Corrosion Inhibitor
- 690 Aqua Cure Salt Neutralizer
- 740 Rustless Rust Preventive
- 900 Wonder Rust Remover & Primer
- 905 Rust End Rust Converter
- 935 Rust Inhibitor for Hydrostatic Testing Systems

ANTI-SEIZE COMPOUNDS

- HT1800 Up to 1800°F
- HT2001 High Temperature

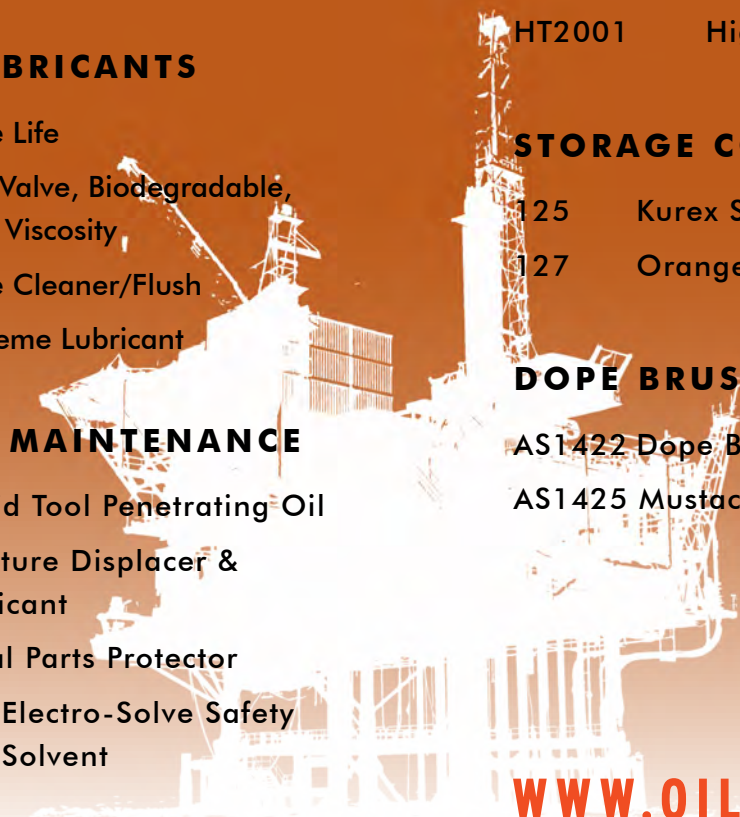

STORAGE COMPOUNDS

- 125 Kurex Self-Healing
- 127 Orange Storage Compound

DOPE BRUSHES

- AS1422 Dope Brush No. 2
- AS1425 Mustache Brush
