

Liquid-O-Ring®

Our Company was founded in 1958, beginning with the dream of two individuals and only one product to sell. This dream has grown into a manufacturing company with approximately 1,000 products used by all types of industries worldwide. Since its inception, the growth of the Company is the direct result of our commitment to manufacture quality products.

From the first product, Hydrogel, to the development of an entire line of products marketed under the *Liquid-O-Ring*® tradename, the Company became recognized worldwide for the quality of its products. Since 1958, the Company has expanded to include thread sealants, wireline and wire rope products, coatings, pump and valve packings, sealants for oil wells, and hydraulic oil additives to meet the demands of today's industries. As the demand continued to grow, more products were added to meet the needs of the customers, including a line of soaps, detergents, and related products for the janitorial, car wash, and concrete industries.

Besides our commitment to manufacture quality products and adaptability to customer/industry needs, other contributing factors to the Company's success are its strategic warehouse locations, network of distributors located nationally and internationally, commitment to excellent customer service, and product reliability providing the utmost customer satisfaction.

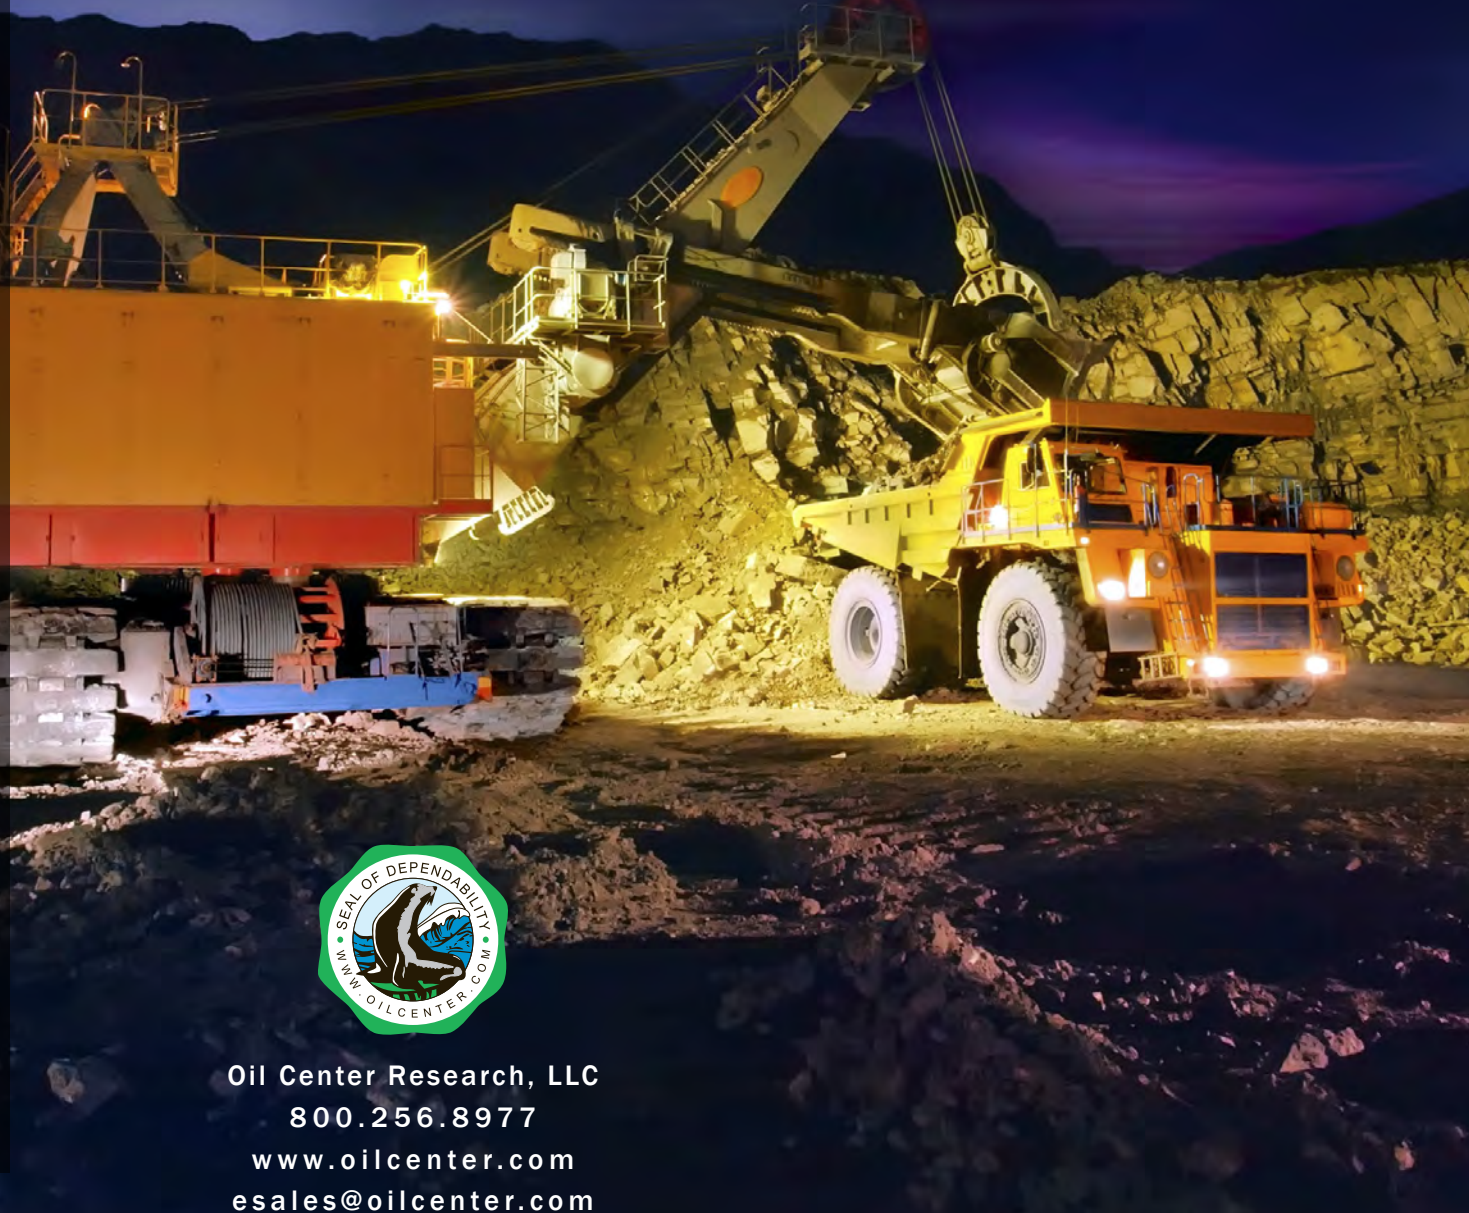

OUR MISSION STATEMENT:

"To operate safely while making quality products at the lowest cost and to deliver to our customers on time."

ANTI-SEIZE COMPOUNDS

- 111 White Lead Replacement
- HT1800 Pure Copper Compound (Up to 1800°F)
- HT2001 High Temperature (Up to 2000°F)

CABLE COATINGS

- 773/10 Cable Coating
- 783 Marine Cable Coat, Biodegradable
- PM322 Cable Guard

CLEANERS & DEGREASERS

- 1091 Mean & Green Heavy-Duty/ Biodegradable
- 9649 Citrus Solve, Concentrated
- 9674 Hot Clean

PREMIUM OILS

- 975 Rock Drill Oil
- PM200 Motor Oil
- PM6000 Compressor Guard
- PM7000 Semi-Synthetic Compressor Oil
- PM8000 Synthetic Compressor Oil

GEAR OILS

- 1050 Synthetic Industrial
- 1051 Premium, Synthetic, Biodegradable
- PM100 Heavy-Duty Premium

HYDRAULIC OILS

- 940 Anti-Wear
- 941 Premium Anti-Wear
- 1040 Synthetic Biodegradable
- PM5000 Leak-free, Premium, Anti-wear

PIPE COATINGS

- 1114 External, Water-Base, Clear
- 1122 External, Water-Base, Black

PREMIUM LUBRICANTS

- 400 Polymer, Multipurpose
- 404EU Lubon Premium, All-Purpose
- 764 Open Gear Lube, High-Film Strength
- PM600 Military Grease, High Temp
- PM900 Military Grease, Low Temp
- PM1400 High Temperature Compound

RUST REMOVERS

- 740 Rustless/Rust Preventive
- 900 Wonder Rust Remover & Primer
- 905 Rust Stop
- 690 Aqua Cure

TOOL JOINT & DRILL COLLAR

- 220 Copper seal, Premium
- 221 Copper Seal, Zinc-Free
- 235 Biodegradable
- 236 Metal-Free

TREATMENTS & ADDITIVES

- 701 GX Seal Hydraulic Fluid Treatment
- 702 GX Seal Hydraulic Fluid Treatment
- 753 Gear Oil Sealant Additive
