and products in an ecologically balanced
global marketplace.

BIODEGRADABLE

MULTIPURPOSE, CONCENTRATED

RIG WASHING COMPOUND 950 is an all-synthetic, biodegradable, heavy-duty cleaning compound. 950 contains no caustics. It removes dirt, grease and oil from rig equipment and fixtures, helping reduce the risk of serious accidents associated with an unclean environment. It can be used as laundry detergent for hand washing heavily soiled clothes and works effectively in hot or cold, hard or soft, fresh or salt water.

MEAN & GREEN 1091 is a highly concentrated, heavy-duty, biodegradable cleaner that is especially formulated for a multitude of tough industrial jobs. It attacks and loosens greasy, grimy surfaces and is easily washed away with water. It does not contain butyl cellosolve.

SOLVE IT 1093 is an excellent all-purpose cleaner and degreaser, especially designed for industrial use. 1093 is biodegradable and safe on fabrics.

MULTI-CLEAN 9650 is a concentrated, biodegradable, multipurpose liquid cleaner/degreaser which efficiently removes oil, grease, dirt, syrups, adhesives and various types of soils.

POWER SOLVE 9649 is a biodegradable, multipurpose solvent that instantly dissolves oil and greases. Also an effective deodorizer, it is used to degrease concrete floors, trucks and equipment.

CITRUS POWER 9652 attacks oils, greases, dirt, syrups, adhesives and soils. It is biodegradable, highly concentrated, and safe on rubber, vinyl, wood, plastics, and ferrous and nonferrous metals.

POWER PAK 9671 is a biodegradable, multipurpose cleaner effective in removing oil, grease, dirt and other soils. It is safe on rubber, vinyl, plastics, wood, and all metals. 9671 is compatible with brine water.

HOT CLEAN 9674 is a biodegradable, heavy-duty cleaner and degreaser formulated to attack heavy oils, greases and adhesives.

SPARKLE BLUE 9676B is a blue liquid rig washing compound and heavy-duty degreaser. It is biodegradable and water-soluble. Sparkle Blue's highly alkaline ingredients aid in the effective removal of heavy soils, mildew stains, and industrial oils and greases.

MULTIPURPOSE, READY-TO-USE

POWER SOLVE READY TO USE 9649RTU is a biodegradable solvent degreaser & deodorizer that is ready-to-use (RTU). Power Solve instantly emulsifies oils and greases. Uses for Power Solve are endless. 9649RTU may be used in restaurants, hospitals, nursing homes, schools, office buildings, theaters, automotive plants, service stations, rest rooms, locker rooms, manufacturing plants, and equipment repair shops.

DISH SOAP

AQUA CLEAN 9632 is a specially formulated manual dishwashing liquid that gets dishes sparkling clean. This effective, biodegradable product breaks up grease and prevents it from settling back on the dishes. 9632 Aqua Clean's long-lasting suds are mild to hands and excellent for fine washables.

HAND SOAP

SOFT & SMOOTH 9636 is a biodegradable, pearlized liquid hand soap that leaves hands feeling soft by moisturizing while it cleans.

HIGH PERFORMANCE

SOLV-EX PM400 is a versatile, economy grade solvent, that cleans without the usual shutdown or disassembly of equipment. PM400 has a high dielectric strength, is non-conductive, and effectively removes oil, grease, wax and other oil-based soils.

ELECTRO-SOLVE PM420 is a dielectric safety solvent with 36,700 volts dielectric. Manufactured with controlled evaporation, PM420 eliminates condensation caused by some solvents and leaves a dry, film free surface.

BLUE POWER 9075 is a blue, liquid rig washing compound and heavy-duty degreaser. It is biodegradable and water-soluble. 9075 is designed for removal of oil-based muds and all types of greases associated with drilling equipment, platforms, and bilge cleaning operations. 9075's high alkaline ingredients aid in the effective removal of heavy soils, mildew stains, and industrial oils and greases.

THREAD CLEANER 9175 is a heavy-duty degreaser and rig washing compound designed for removal of oil-based muds and all types of greases.

SUPER PINK CAR & TRUCK WASH 9554 is a concentrated powder that is formulated for use in car and truck wash systems and steam cleaners. 9554, when properly diluted, will not harm aluminum or paint and will not etch glass.

RIG WASH 9562 is an excellent heavy-duty, white cleaning compound. 9562 removes dirt, grease, and oil from rig equipment and fixtures, helping to reduce the risk of serious accidents associated with an unclean work surface. 9562 is effective in dissolving dirt and grime almost instantly.

CLEAN DIP CONCENTRATED VAT CLEANER 9596 is a heavy-duty concentrated vat compound for use in hot or cold temperature dip/soap operations on cast iron, steel and other hard metals. It removes soils such as paint, grease, and rust and rinses with clean water.

WASH I 9641 is an acid cleaner formulated to penetrate soils on equipment surfaces that detergents are unable to clean. 9641 may be used to remove light road film and oxidation from aluminum trailers and is half of a washing system designed to completely clean equipment.

WASH II 9651 is the second half of the equipment cleaning system. It is a concentrated liquid detergent specially formulated for the external washing of trucks, tractors, farm equipment and other industrial vehicles. Along with 9641 WASH I, 9651 WASH II ensures a complete cleaning job.

INTRODUCING RW55 ROUGHNECK WIPES are for use in the oilfield where heavy-duty cleaning is a must. These durable, textured scrubbing wipes are pre-moistened with a powerful, citrus-scented cleaning solution perfect for removing grease from your hands.
